OBJECTIVE

Passionate and team-oriented individual pursuing master's in Computer Science at ODU looking forward to learning and leveraging the field of data science and data analysis.

EXPERIENCE

Intern - Associate Web Developer

ImaStudent.com

📅 01/2022 - 06/2022

IMASTUDENT.com is one of the top five online e-commerce companies in India

- Assisted in developing new web pages for business models like Rentals website (rentals.imastudent.com, vloggershop.in) purely a WordPress/WooCommerce websites. I'm also familiar with WordPress plugins and themes.
- Reported best social media practices and trends to the manager.
- Helped with content marketing, finding materials for posting on social media, including Facebook, and Instagram.
- Participated in brainstorm sessions and campaign strategies.
- Technologies: WordPress 6.0, HTML, CSS, MySQL

Undergraduate Teaching Assistant

📅 2020 - 2022 📍 Amity University, India

- Worked as a student assistant for Bioinformatics and C lab
- Supported student learning objectives through personalized and small group assistance
- Assisted with student grading and other tasks as assigned
- Initiated, facilitated and moderated classroom discussions
- Troubleshoot systems and work with students to determine needed hardware or software changes
- Experience in helping students build e-Portfolio resumes using Wix.com.

Intern - Research Associate in Life Sciences (NanoBioTechnology)

Biolim Center for Science and Technology

📅 06/2020 - 07/2020 📍 India

- Designed and tested the nanoparticles to determine the body distribution and potential medical applications

Intern - For bioinformatics and its applications

cytogene research and development

📅 06/2021 - 07/2021 📍 India

- I worked on the identifying and visualizing the unknown protein and know its structure and its purposes and also show its 3D structure of the protein.

Project - Digital library of electronic thesis and dissertation

Old Dominion University

📅 08/2022 - 12/2022 📍 Norfolk, VA, USA

- I've worked on creating a Web page where users can sign up and login in to their site and upload their electronic thesis or dissertation, and web page also contains search engine to search for the thesis or dissertation.
